Temple Visit Problems

Problem Statement	PS-1	PS-2
I am (Customer)	Devotee visiting temples	Devotee traveling from another city
I'm trying to	Get darshan peacefully	Plan temple visit in advance
But	Stand in long queues	Don't know exact crowd situation or waiting time
Because	No proper system to manage darshan slots	Temples do not provide proper online booking systems
Which makes me feel	Frustrated and tired	Uncertain and stressed
